*It is good to give thanks to the Lord, and to sing praises to Your Name, O Most High;  
To declare Your lovingkindness in the morning, and Your faithfulness by night;...  
For You, O Lord, have made me glad by what You have done,  
I will sing for joy at the works of Your hands.” Psalm 92:1,2, 4*

This week as we gather with family and friends, let us take time to reflect on God’s goodness to us. Take a minute to reflect on the blessings in your life; the home you’ve provided, warm clothes for cold days, enough food for a simple meal, the love of a child. We all also have areas of pain or sorrow, for life does not exclude one or the other. We can allow His love and His faithfulness to touch those hard places in our lives. Take a walk this week end, let the glory of His creation surround you with beauty....beauty, like His love, is available to and for us all!

Becky Hilton came through her brain tumor surgery well today. Here is a message from her family. "Everything went great! She is in ICU now and is very tired. Everything looks great. The doctor said it couldn't have gone any better. The tumor was very soft, which is a good sign of it not being cancerous!"

What a great report! Thanks for the many thoughts, prayers, concerns, and cards that have been dropped off for her. Meals will begin tomorrow for her family. Thanks to all of you who signed up to bless this family during this busy time. You are appreciated!

Continue to keep her in your prayers as she continues the healing and recovery process.
