Let be . . . be still (cease striving) and know that I am God. Psalm 46:10

This week we celebrate Veterans' Day. Setting aside a day to honor those serving in the armed forces seems especially appropriate this year. While we remember those who served in years gone by, it was also a time to appreciate those currently serving our country both at home and overseas. For many of us, it was also a day to be at home with our families, to work, to play, to relax. What a blessing to have the "extra" day off . . . God encourages us to make time for rest. The same God who created the heavens and the earth loves to provide good things for His children, including needed rest. "Let be...be *still* and *know* that He is God." Amen!!
