*God is our refuge and strength, a very present help in trouble.
Therefore we will not fear, though the earth should change...
though the mountains quake at its swelling pride...the Lord of
hosts is with us; the God of Jacob is our stronghold. Psalm 46: 1, 3, 7*

In times of struggle it is so comforting to remember....we were created by the God of love, not a god of fear. He knows our hearts. He will not fail or leave us. He will not reject us!

National TV-Turnoff Week, April 19-25

Each year, millions of children and adults across the country choose to take seven days to explore life without TV. During this week, people are encouraged to take the time to read, exercise, play games, explore the outdoors, and talk with friends and family. TV-Turnoff Week is a good time to discover the many things that life has to offer once the TV is out of the picture.

The American Academy of Pediatrics (AAP) recommends that children under 2 years of age avoid TV entirely, since TV viewing should not replace what infants and toddlers need most—direct interaction and stimulation from other people. For older children, the AAP recommends that parents monitor what TV they watch. At the same time parents are encouraged to watch TV with their children, and to discuss what’s on as a family.

For more information you may visit their website at <http://www.tvturnoff.org>.
