*How great is the love the Father has lavished on us,
that we would be called the children of God. John 3:1*

Just think of how gentle God's love is for us. He comes quietly into our hearts when invited, and covers us with His protection and care, as we trust Him. The Creator of all there is loves you and me no matter who we are, what we've done, or where we have been. This is called unconditional love. This is what He offers us as His children. Can you imagine how it would feel to have your love rejected by one of your children? He is a loving Father and He desires a relationship with you and me. He is a gentle Savior and wants you to allow Him a place in your heart. Have you invited Him in?

With Valentine's Day coming, please be sure NOT to include any candy that contains nut products in your child's valentine cards. Even some jelly beans may have nuts or peanuts!!! Please read ingredient labels

Security:

In continuing with our safety plan as we open the front door please be willing to identify yourself at the door speaker. Even though we can see you on our monitor, often it is difficult to tell who your are. Thank you for your co-operation.
